

Curriculum Vitae

Cristiano CANTONI

CURRENT POSITION

Name of company

ENAV S.p.A International Strategies

Job position

Head ATM Planning and Deployment

PROFESSIONAL BACKGROUND

Cristiano Cantoni joined ENAV in 2005. He worked as an engineer in the ENAV Technical Directorate. From 2007 to 2015, he was responsible for the BLUE MED FAB Administrative Secretariat as well as responsible for the signature of the State Treaty for the establishment of the FAB. He also acted as an expert within the Interim Deployment Steering Group and as Project coordinator in a number of EU funded initiatives.

In 2016, he was appointed Head of ATM Planning and Deployment within the ENAV International Strategies Department, with responsibilities in the coordination of the participation of ENAV within the activities of the SESAR Joint Undertaking and of the SESAR Deployment Manager. He holds responsibility in the participation of ENAV to EU Funded projects, managing the tendering process for Long Term Research/H2020, SESAR JU and SESAR Deployment initiatives. Cristiano is ensuring the update of the Italian LSSIP and alignment of the Investment plan of the company with the ATM Master Plan and existing regulatory requirements.
