

Curriculum Vitae

Mr IACOMETTA Luigi

CURRENT POSITION

Name of company
LEONARDO SPA

Job position
Vice-President ATM Europe Business Area

PROFESSIONAL BACKGROUND

Luigi Iacometta is Vice-President ATM Europe Business Area in Leonardo SPA. In this position, he is responsible for launching, directing and managing the Company's ATM/CNS projects within Europe.

He joined Leonardo in 1997 (when it was Alenia Difesa) as a system engineer in the Air Traffic Management and Airport Systems (ATMAS) Business Unit.

In 2010, he took the Head of Engineering role for ATMAS and in 2014, he became Vice-President ATM Next-Generation Business Area, dealing with large scale projects based on innovative, software intensive solutions.

Among other responsibilities in Leonardo, he has also been involved in a number of cross-industry groups. He was Chairman of the European Organisation for Civil Aviation Equipment (EUROCAE) Working Group 61, which was tasked with developing a standard ATM system architecture, and was Leonardo representative in the Working Group of Experts developing the initial Work Breakdown Structure for SESAR.

EDUCATION AND TRAININGS:

Luigi Iacometta graduated from Università la Sapienza di Roma in 1992 with a degree in Electronic Engineering.
