## Todd DONOVAN

### CURRENT POSITION

---

**Name of company**

Thales Air Traffic Management

**Job position**

Vice President, Strategy & Marketing

### PROFESSIONAL BACKGROUND

---

Todd Donovan has extensive global air traffic management experience, with more than 20 years of technical and leadership roles in the aviation industry. Currently, Todd Donovan serves as Thales Vice President of Strategy & Marketing for Air Traffic Management and is responsible for leading initiatives, investments and partnerships in support of increased safety, capacity and efficiency of the global aviation system.

Previously, Todd Donovan served as Vice President and General Manager of Thales Aviation Solutions, leading business development and growth strategy for U.S. commercial aviation.

Mr Donovan was responsible for creating and implementing strategy, shaping and capturing new business, fortifying relationships with civil business partners and executing projects across the Air Traffic Management and Civil Avionics domains. He also contributed to Thales' global aviation strategy for SESAR, NextGen and ICAO ASBU initiatives. Further, Mr Donovan serves on the RTCA NextGen Advisory Committee Working Subcommittee.

Prior to this role, Todd Donovan served as Thales Vice President, Air Traffic Management for Navigation and Airport Solutions, and in leadership roles across Saab Sensis Corporation, including Vice President of Strategy and Development.

### EDUCATION AND TRAININGS:

---

Mr Donovan holds a BA from Dartmouth College, a BE from Thayer School of Engineering at Dartmouth College and an MBA from the Emory University.

### EXTRAS:
