PANEL DISCUSSION: IMPLEMENTING U-SPACE

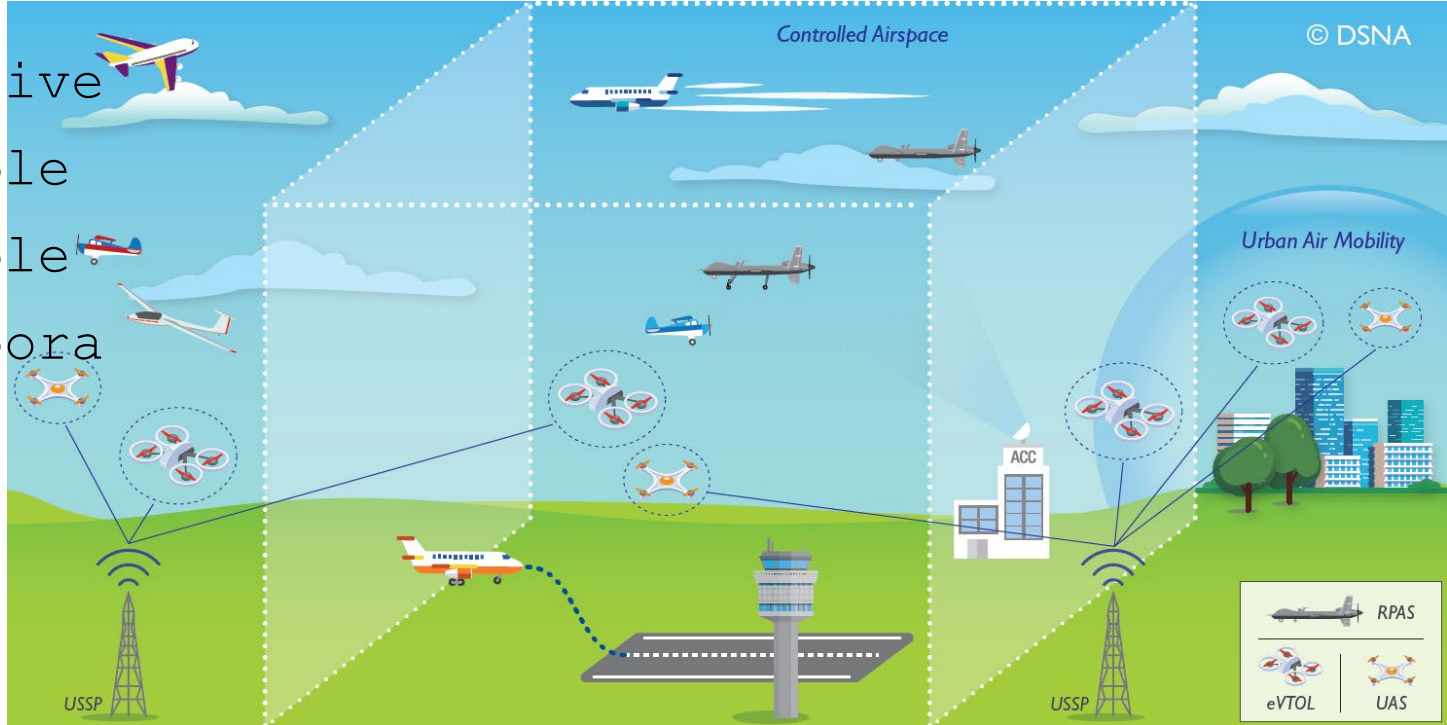

FROM PROTOTYPING TO IMPLEMENTING

Back to the mid-2010's

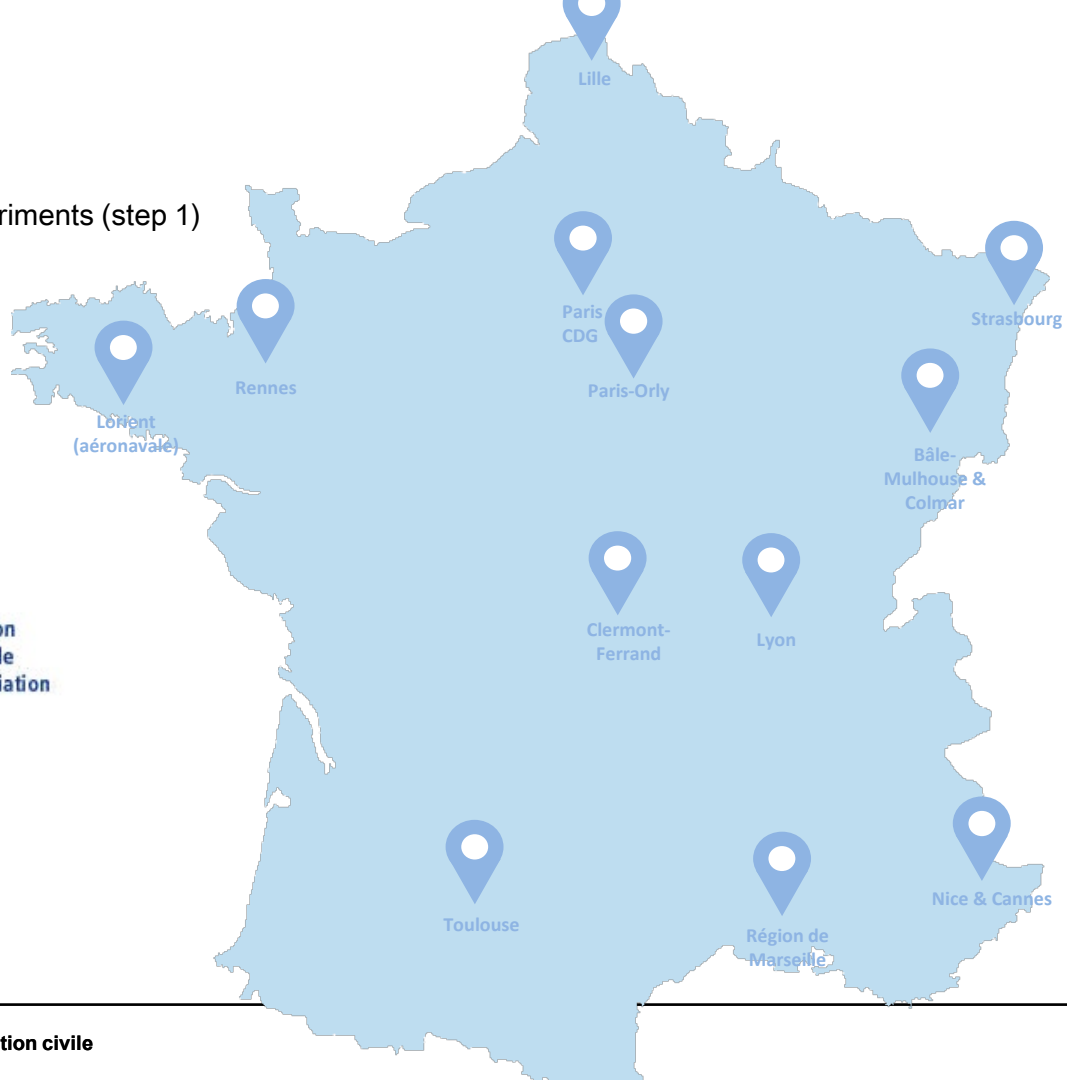

Towards safe & fair integration of air traffic

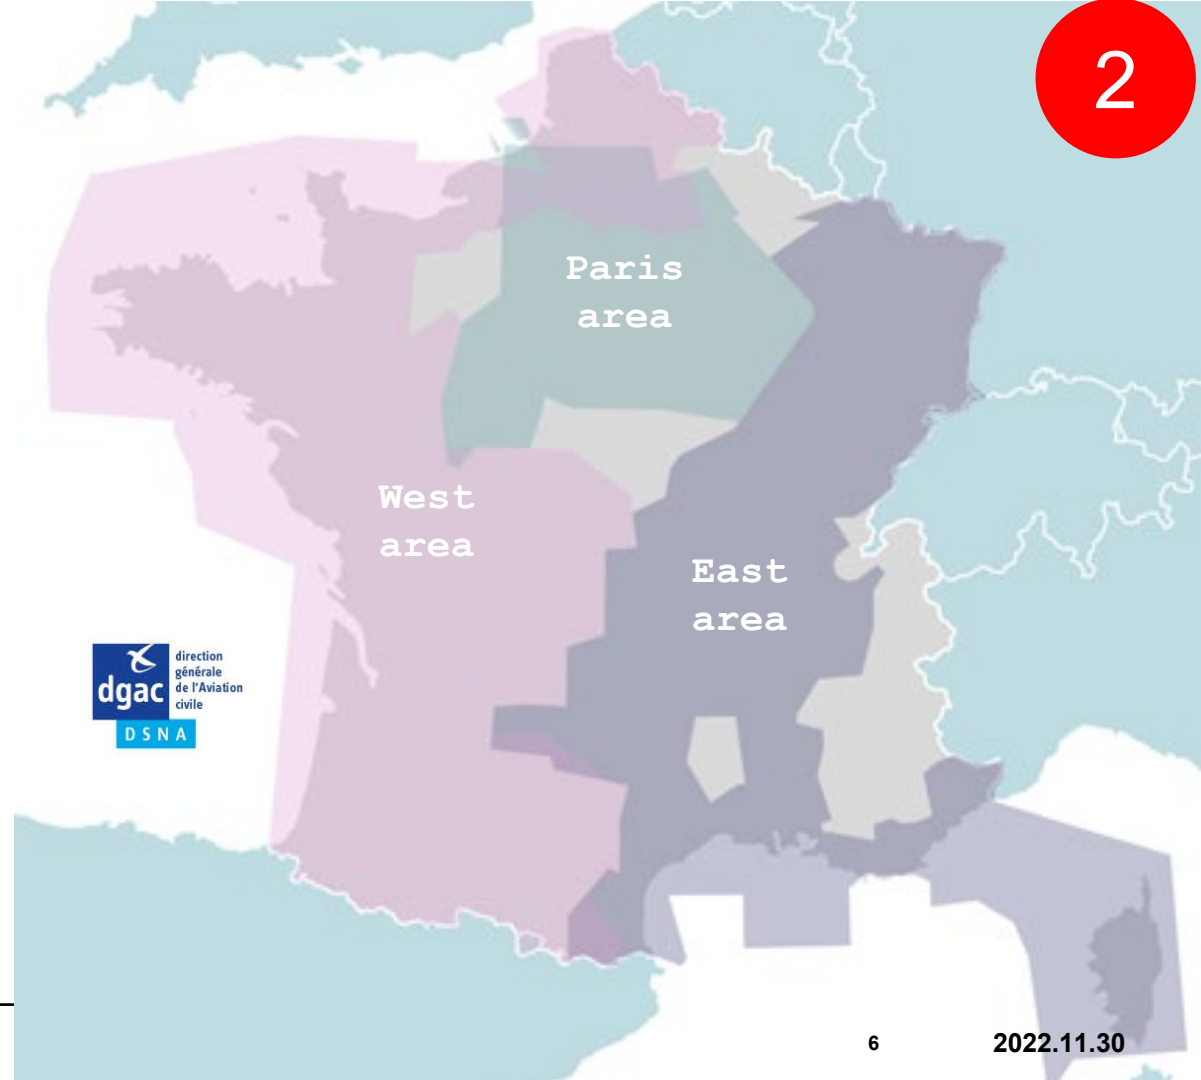

- ✓ Iterative
- ✓ Flexible
- ✓ Scalable
- ✓ Collaborative

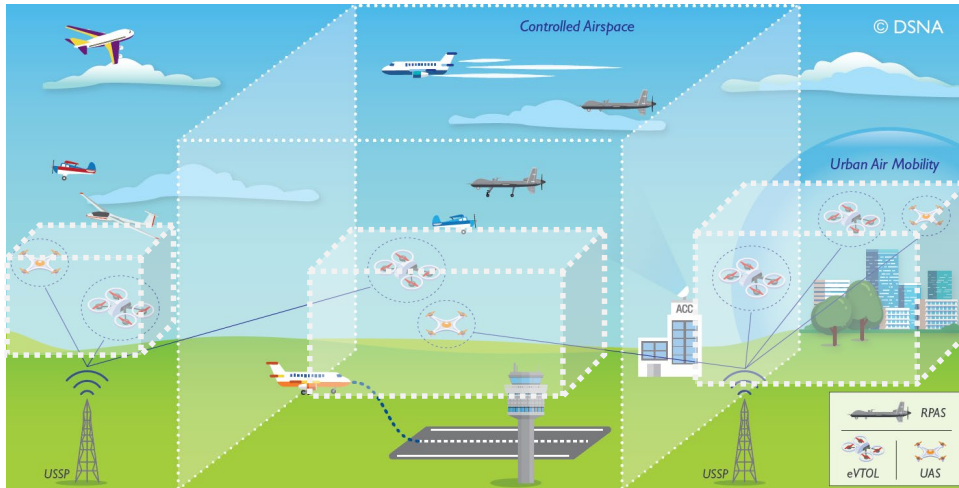

U-space Together experiments (step 1)

- ✓ U-space Together (step 2)
- ✓ Pre-U-space digital services
 - ✓ Large scale collaborative deployment of demonstrators
 - ✓ Civil-military
 - ✓ From 2023

U-space

- USSP/CISP Certification process
- Localized U-space airspaces
- CIS: model of provision to be defined; case-by-case study
- U-space airspace request: project may be led by stakeholders
- Joint civil-military designation
